KEY PERSONNEL PROFILES	
Ali Muwwakkil	PROJECT / PROGRAM MANAGER
LABOR CATEGORY: PROGRAM MANAGER • ACTUAL TEAM MEMBER Managing Director at Colaberry and overall delivery lead for this effort. Single point of accountability to the Contracting Officer: owns schedule, risk, staffing, and client communications. 15+ years leading data and software delivery teams for enterprise and public-sector clients.	
Ram Katamaraja	PRODUCT OWNER
LABOR CATEGORY: PRODUCT OWNER / BUSINESS ANALYST • ACTUAL TEAM MEMBER Founder and CEO of Colaberry. Owns the product vision and backlog, translates the SSS mission and requirements into prioritized user stories, and keeps the build aligned to evaluation factors and stakeholder needs. Primary authority on scope and acceptance.	
Anamelechi "Obi" Kingsley	LEAD DEVELOPER / SOLUTION ARCHITECT
LABOR CATEGORY: SENIOR SOFTWARE ARCHITECT • ACTUAL TEAM MEMBER Leads the technical architecture and hands-on engineering. Full-stack (React + Node.js), cloud-native design, API integration, and data migration. Runs sprint delivery and code quality, and is responsible for the working demo environment.	
Priya N. Raman	SECTION 508 / QA LEAD
LABOR CATEGORY: ACCESSIBILITY & QUALITY ASSURANCE LEAD • ILLUSTRATIVE SAMPLE Owns accessibility and quality. Drives full Section 508 / WCAG 2.1 AA conformance through automated and manual testing, screen-reader validation, and a defect-tracking discipline. Prepares the accessibility conformance evidence required for authorization.	
Marcus D. Ellison	SECURITY / DEVOPS LEAD
LABOR CATEGORY: CLOUD SECURITY & DEVOPS ENGINEER • ILLUSTRATIVE SAMPLE Owns cloud infrastructure, CI/CD, and security. Implements NIST 800-53 / SOC 2-aligned controls, supports the Authorization to Operate (ATO) process, and maintains hosting, monitoring, and incident response for the platform.	

Ali Muwwakkil, Ram Katamaraja, and Anamelechi Kingsley are actual team members. Priya N. Raman and Marcus D. Ellison are illustrative sample personnel created for this proposal rehearsal; replace with real staff before any real submission.
